After School Club Pricing & Booking

Dear Parent and Carers,

Thank you to those of you who have provided feedback to our newly in-house run provision. This has been helpful in this transitional phase and we would like to share and clarify the following in relation to pricing and booking:

Prices
£16 full session (3:30-6pm) / £8 half session (3:30-4:30pm)
£12 sibling discount (3:30-6pm) / £6 sibling discount (3:30-4:30pm)
£11 / £10 sibling for 4:30-6pm (joining after attending external clubs)

We have also created an option now for **4:30-5pm which will be a flat rate of £4**. This is for children who require care in between external clubs running at Manorside. We cannot offer a sibling discount for this portion of time as we need to ensure we are covering the costs involved to staff the club.

After School Club operates purely as a function to provide wraparound care for our students and not to make any profit. The above pricing structure ensures we are not making a loss on this provision.

Booking
Please ensure you are booking the After School Club as far in advance as possible. On the day booking will incur an additional £5 administrative charge. Additionally, due to current staff absence, we currently have less available places to offer. Please note if a session shows as 'fully booked' you will need to make alternative arrangements for this day.

Lastly, a huge thank you to those families that have donated items and equipment for the children to use in After School Club. These are most gratefully received and we welcome any further donations of good condition, unwanted items. Thank you for your continued support.

Kind regards,

Mr Griffiths Mrs Mitchell Mr Dalziel Mrs Taylor
