Dear Parents/Carers,

After School Club Update

After a year of managing our after school club provision, we have been given notice that Active London will be parting company with us at the end of the half term.

Unfortunately, numbers have not increased – for varying reasons – and this arrangement is no longer viable. As of Monday 3rd November, we will be retaking control of the provision 'in-house'.

There will be no changes to staffing, with the set-up being monitored by the leadership team. Whilst the purpose of the club will very much be about the children having fun, we will be looking at a more structured approach to the activities on offer. We will be asking the children, over the next few weeks, what activities they would like available and then ensuring that we have the appropriate resources in place. Any feedback from parents, would also be gratefully received.

The pricing structure will be £8 up until 4.30 and £16 for the whole session, with a £2 deduction for siblings (£6 and £12). If you have any issues, regarding payment, please come and see myself, Mr Dalziel, Mrs Mitchell or Mrs Taylor.

Bookings can be made on the school payment system, with a plea for advanced bookings as much as possible in order to ensure appropriate levels of staffing.

Thank you for your continued understanding, as we try to ensure that we get this provision right for our children.

Kind regards,

Mr Griffiths
