Christ's Hospital's Maths Challenge - Guildhall, London

Dear Parents & Carers

Your child has been selected to take part in the above maths challenge morning on Monday 10th February 9.15-11.45 at the Guildhall, City of London. This is a fantastic opportunity for the children to take part in a wide variety of mathematical puzzles and challenges.

As the event starts at 9.15am, we will need to leave school by 8.30am. Please drop your child at school by 8.25am on this day. We will walk to Finchley Central station where we will travel to and from the event by London Underground.

Children will need to come to school in their normal school uniform. The event finishes at 11.45am. We ask that your child brings a packed lunch due to arriving back at school after school dinners will have been served. Please indicate on the form if you would like them to have a school packed lunch.

To consent to your child attending this trip, you must complete this form.

We require one parent helper for this trip. If you are able to support this trip, please indicate this on the Google Form.

If you require any further information, please contact the school office or speak with me directly.

Kind regards,

Mrs Hubball-Barnard

Assistant Head - Squires Lane Learning Federation
