SQUIRES LANE
LEARNING FEDERATION

18/12/2025

Dear Parents and Carers,

On behalf of the governors, thank you for your continued support of both schools this term. We have been pleased to see the children working hard and enjoying trips and other special events, including for the festive season.

Governors have enjoyed watching the Christmas show at each school, and were very impressed by the excellent performances. Congratulations to all of the children who participated, and huge thanks to all of the staff involved and to you for preparing your children for their roles.

We are delighted that Mr Cox has been appointed as the new staff governor and Professor Steven Gilmour as the new parent governor for Manorside, following our recent invitation for applications. Javen Legister remains the parent governor from Tudor. We have also welcomed Bernard Travers this term as a new co-opted governor. We look forward to working with them all, and are pleased that the Board has access to a range of relevant skills through its members. We are keen to engage with parents and details will follow in the new year for a session to meet some of the Governors (this was previously envisaged for this term but we wish to include new governors). Should you wish to contact us, please email on governors@manorside.barnet.sch.uk and let the office know (either at Tudor or Manorside), so that they can alert us to this.

We also enjoyed the Christmas Fair and would like to thank the new SLL PTA for arranging such a fun and successful event.

We wish you and your children a happy and relaxing festive break and look forward to seeing you in 2026.

With best wishes

Katie Dawbarn and Sarah Machen

Chair and Vice Chair of Governors
