SQUIRES LANE
LEARNING FEDERATION

02/10/2025

Dear Parents and Carers,

We have received information from the Barnet safeguarding team that the children's book series **'Spy Dogs/Pups/Cats', written by Andrew Cope** contains a link to a website, which contains highly pornographic content. The book asked children to explore the website to find out more about the characters. It appears the website (identified on the back page) www.spydog451.co.uk has now been compromised and takes users to a pornographic website with no age verification. Please be reassured that we have blocked the website and any copies of the book that we have in school have been collected and stored safely. We have not shared any of this information with the children.

Please check if you have a copy of this book at home that your child may have borrowed from school or the library. Please return as soon as possible.

At home, you can ask your internet provider to block the site at your home router. This will not work when accessing the internet via data (4G/5G).

Kind Regards,

Emma Taylor, Iain Dalziel and Jenny Mitchell
Heads of School
