Friday 30th January 2026

NSPCC Number Day 2026

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 13th February 2026.**

Everything the NSPCC does protects children today and prevents abuse tomorrow.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

Half a million children a year suffer abuse or neglect in the UK. That means 7 children in a classroom experience abuse before they turn 18.

NSPCC Number Day makes maths meaningful and is a great way to make numbers fun and bring about a positive, 'can-do' attitude towards mathematics.

We are having a fun day of maths activities, and we will be taking part in ***Dress up for Digits***. **Pupils are asked to wear an item of clothing with a number on it (sports top, football, rugby, netball, hockey shirt or cap)**. Or get even more creative and become a human calculator, dice or domino by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event.

NSPCC Rocks - Friday 6th February

As a warm up to the main event, on Friday 6th February we are taking part in a special national Times Tables Rockstars battle. The event starts at 7.30am and ends at 7.30pm. Children will answer as many multiplication and division questions correctly as they can. The winning school and class will be based on the highest average number of correct answers per student. Please encourage your children to play at home –there is a 60-minute limit playtime per person.

Safe fundraising

Please donate via SchoolMoney. Every penny counts, all the money we raise at Tudor and Manorside Schools will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

We're really looking forward to all the fun of Number Day, and we really appreciate your support.

Best wishes,

Mrs Hubball-Barnard
Assistant Head
