Dear Year 5 Parents/Carers,

PGL Little Canada Residential, Isle of Wight - Monday 5th July - Friday 9th July

Thank you for your responses to our recent parent/carer survey regarding next year's school residential. Based on your feedback, we are delighted to announce that we have booked our Year 6 residential trip to PGL Little Canada on the Isle of Wight.

It is a unique place that allows the children to become immersed in new activities, develop their personal skills and make memories. PGL provides outdoor learning experiences for children across a wide range of fun, educational and hands-on activities. The itinerary is designed to encourage the development of resilience, team-work and self-confidence.

We will be holding an information meeting for parents on Tuesday 10th March at 9am at Tudor and Thursday 12th March at 3.30pm at Manorside. The meetings will be identical so please only attend one. At the meeting you will be given further information about PGL and have the opportunity to ask any questions. In the meantime you can find out more about the residential at PGL Little Canada by following this link: PGL Little Canada, Isle of Wight

The residential trip is a milestone in children's educational experience and we would encourage all children to take part. We work closely with families to overcome any challenges. If you have any hesitations, please contact the class teacher or Head of School via the school office.

Yours sincerely,

Mr Dalziel, Mrs Mitchell and Mrs Taylor

Heads of School
