Dear Parent/Carer,

We would like to inform you that we have been invited to participate in a research project aimed at supporting children in developing their pre-writing skills, which will take place during the summer term.

This project will provide valuable opportunities to enhance your child's early writing development through targeted activities and approaches. We believe this will be a positive experience for all involved.

Please click here to read the letter containing full details about the project. If you have any questions or would like to discuss this further, please do not hesitate to come and speak with me.

Thank you for your continued support.

Kind regards,

Rachel Santucci
