13/06/2025

Dear Parents/Carers,

Following some issues related to the use of social media on phones with some of our older pupils, I am re-sharing the letter which was first sent out in February, regarding Smartphone Free schools.

We are committed to supporting this initiative and remind you that children should not be bringing smartphones to school with them.

As the letter states, from September 2025, no secondary school pupils in Barnet will be able to bring their smartphone into school. Adhering to this from the present time will help children manage this aspect of secondary transition. We are proud to support the Smartphone Free schools campaign and would ask that you fully support us by not sending your child into school with a smartphone.

Kind regards,
Mr Dalziel
