Dear Parents/Carers,

Re: Security Update

I hope you are all enjoying your summer break.

I thought I would write to you all with an update, regarding the recent vandalism across our schools. This vandalism resulted in a significant amount of damage to windows across Brunswick Park, Church Hill, Manorside and Tudor Schools. Naturally, as the only connection to all of the schools, I was concerned that this was a personal vendetta.

Myself, and the heads of school, have worked closely with the police and indeed local MPs to investigate those responsible for the extensive criminal damage. Thankfully, CCTV at the schools and in houses local to the schools helped to identify those responsible for the criminal damage and police have subsequently made 6 arrests. What has also been confirmed is that the vandalism was not related to anyone associated to any of the schools. Whilst I am unable to release details of the motive of those responsible, I have been assured that the damage caused was for financial gain as opposed to any threat to any individual. I am sure you will agree that this is a source of great relief to us all.

I will provide further information when I am permitted to do so.

I hope you all continue to enjoy a restful summer break and hope that you get some well-deserved rest!

See you in September.
Andy Griffiths
Executive Headteacher
