Take One Picture

Dear Parents and Carers,

We are excited to let you know that our school will be taking part in the **National Gallery's 'Take One Picture'** project next term!

This wonderful national initiative encourages children to explore one specially chosen painting through creative and cross-curricular learning. This year's focus painting is 'A Muse' by Cosimo Tura, and we will be using it as a springboard for a wide range of inspiring activities across the curriculum.

"Take One Picture" is all about giving children the chance to think deeply, ask questions, and express themselves in new and imaginative ways. It helps develop critical thinking, creativity, teamwork, and a greater appreciation of art and culture. Most importantly, it provides a fantastic opportunity to bring our school community together around a shared creative focus.

Let's get involved together!
We would love for you to be part of the journey. We encourage you to take your child to see the painting in person at the **National Gallery in London, Room 14 (free entrance!)**. While you're there, please take

your child to see the painting in person at the **National Gallery in London, Room 14 (free entrance!)**. While you're there, please take a photo or selfie of your child standing in front of the painting, we'll be creating a **Wall of Fame** in school to celebrate all the families who've visited the artwork!

With thanks for your continued support,

Jacqueline Lotan
Reception Class Teacher at Tudor
Arts Lead
