Parent Workshops

Dear Parent and Carers,

Following parent feedback and suggestions we are running a series of parent workshops over the coming half term and next. We will continue to display key dates in the newsletter each week but wanted to communicate these specifically to you all. These meetings are open for both Tudor and Manorside parents to attend.

Your attendance at these meetings is greatly appreciated as we are keen to work in partnership with you to continue to secure the best outcomes for our children. Please note we have had to re-arrange some of the initially scheduled dates for this term. Subsequently, our upcoming parent workshop schedule is as follows:

Date	Workshop	Where?	Time
Wednesday 19th November	Numbots & MyiMaths for Year 1/2 parents	Manorside	9am
Tuesday 25th November	Calculation Strategies for Year 1/2 parents	Tudor	9am
Wednesday 3rd December	Google Classroom Workshop for Year 1-6 parents	Manorside	9am
Wednesday 10th December	Calculation Strategies for Year 3/4 parents	Tudor	9am
Tuesday 13th January	Calculation Strategies for Year 5/6 parents	Manorside	9am

Kind regards,

Mrs Mitchell Mr Dalziel Mrs Taylor
Heads of School
