SQUIRES LANE
LEARNING FEDERATION

03/09/2025

Dear Parents and carers,

I hope you all had a very restful summer break and that the children followed our instructions and were well-behaved and also gave you the chance to relax.

It was so lovely to see the children, over the course of today. They looked very smart in their new uniforms and all classes were fully engaged and engrossed in their new classes.

We welcome a number of new faces across the federation and I am sure you will make them all very welcome. From a personal perspective, I am delighted to have been confirmed as the substantive Executive Headteacher of the Squires Lane Learning Federation and want to continue to support each school on their journeys to providing your children with the best possible learning experiences.

You will find Tudor's Ofsted report below. We are extremely proud of this outcome and it very much reflects the hard work and efforts of the staff team. From a Tudor perspective, this is an extremely welcome outcome – notably with the outstanding judgements for both Early Years and Personal Development. From a Manorside perspective, this demonstrates that, as leaders, we are very much on the right direction with the impact of our changes - both in relation to our teaching team and our curriculum delivery - clear to be seen.

As a leadership team, we appreciate that there is still work to be done, but we will continue to drive school improvement and ensure that children achieve the best possible outcomes across the broad and balanced curriculum that we remain extremely proud of.

I am very excited for the year ahead and am extremely confident that the schools will continue to go from strength to strength and that your children will continue to benefit from the high standard of education, pastoral care and diverse offer of enrichment activities that the schools have always taken pride in.

Wishing you all the best for the year ahead.

Andy Griffiths

Executive Headteacher
