Y5: An important date for your diaries

*On **Tuesday 16th June**, all of Year 5 will be performing in the **Barnet Schools Music Festival** at the Artsdepot. We have already started to learn the songs which we will be performing alongside other schools, as well as an individual song which we will be singing as a Federation. It is an amazing opportunity for your child to perform on stage at a theatre with live musicians and an audience, and it is definitely one of my favourite events of the year! Tickets for £10 will be available nearer the time. The performance will be at **7pm.** Your child will already be there after having had a rehearsal there in the afternoon.*

Your child can practise the songs at home by clicking on the following link:

or you can click through menus from the BEAT homepage www.beatrust.org.uk SCHOOLS - FESTIVALS - BSMF - PRACTISE AT HOME
*The password is **Shine!***
We are a 'Red' school.

I will send out words soon for our individual song.
Thank you for your continued support,
Mrs J. Reid (Music Teacher)
