Year 4 Multiplication Check - Parent Meetings - March 2026

Dear Parents/Carers,

In June 2026, all Year 4 students will take the statutory Multiplication Tables Check. There is an outline of what this entails in the attached PDF document from the Standards & Testing Agency, published by the Department for Education.

I will be hosting meetings at Manorside and Tudor in the next two weeks, to give further information on the Multiplication Tables Check and what you can do to support your child in preparation for this.

The meetings will take place as follows:

Wednesday 4th March at 9am at Tudor
Tuesday 10th March at 3.30pm at Manorside

Both meetings will be the same, please only attend one based on whichever time suits you best. I look forward to seeing as many of you there as possible.

Kind regards,

Mrs Hubball-Barnard
Assistant Head
