Wednesday 2nd July

Year 5 Trip to Finchley Lakeside & Workshop - Wednesday 16th July

Dear Parents/Carers,

Year 5 will be visiting Finchley Lakeside, formerly the Pentland Brands Limited, on Squires Lane. This is part of an initiative from the architects working on the future of the site engaging the local community in what might come next.

On Wednesday 16th July, the Year 5 classes from both Manorside and Tudor will visit the site in the morning for a guided tour. They will be given more information about what has existed there previously and the potential future of the site. The site visit will last up to one hour.

For this trip, all children must come to school in their normal school uniform. Please provide them with appropriate clothing for the weather; a coat if it is cold or raining or if it is a hot day, please apply sun cream before they get to school and provide them with a hat.

We will be leaving school at 10:45am and we will return to school by lunchtime. Lunch arrangements will be at school as normal. All children must bring a water bottle with their name clearly labelled.

In the afternoon, some of the architects will then come to Manorside (Tudor children will be walked over) and give the children a presentation, before splitting into their classes and doing a workshop on architecture drawing and design.

This is a free experience for the children and covered by our local trips and visits given the proximity to school.

Parent helpers would be welcomed on the site visit. If you would like to join the children, please let the office know and they will pass this on to the class teacher.

If you require any further information, please contact the school office or speak with me directly.

Kind regards,

Iain Dalziel
Head of School
